

SUNRIVER SERVICE DISTRICT FIRE DEPARTMENT

FIRE CAPTAIN

Classified Service

FLSA Status – Non-Exempt

EEO Code – B/Professionals

Job Code – SFDJC 103

CLASSIFICATION SUMMARY

This classification supervises personnel for an assigned shift, and is responsible for fire suppression, prevention, and emergency medical services. Positions within this classification are responsible for drilling and instructing personnel in fire fighting, fire prevention and rescue techniques, making preliminary fire investigations; assuring the proper maintenance of apparatus, equipment and facilities; assuming direct command over fire fighting personnel; and performing officer level duties (i.e., training officer, support services officer, EMS officer).

Work involves strenuous physical exertion and elements of personal danger. Routine duties are performed with a degree of independence within established Departmental regulations and under the supervision of the Fire Chief. At the scene of an emergency, a Captain is responsible for the effective performance of the entire operation until relieved of command by the Fire Chief.

SUPERVISION

This classification works under the direction of the Fire Chief.

SUPERVISION EXERCISED

This classification provides direct supervision over engineer/paramedics, firefighter/paramedics and reserves.
